

RLI Voting Ballot – July 15, 2011 Special Meeting

Proposal 1

Shall Runyan Lake Inc. utilize funds from its general fund for the purpose of maintaining, protecting, and preserving the island, subject to approval by the MDEQ, in an amount not to exceed \$50,000, consistent with the proposals presented during the July 15, 2011 Special Membership Meeting?

Yes, Proceed with rip rap behind the dock, replace the existing dock, add fill, and add rip rap (rock and filter fabric) sufficient to prevent erosion of the island.

Yes, Proceed with a steel seawall around the perimeter of the island, replace the existing dock, add fill, and add rip rap (rock) sufficient to minimize backwash from the seawall.

No, I am opposed to any island improvement plan over and above regular maintenance.
