I have read, understand, and will comply with the terms and conditions of the permit. I assure the Michigan DNR that all lakefront landowners have been notified of the goose program and understand that geese removed from this site may be killed. I have provided a copy of the petition/government resolution to the Michigan DNR, and at least seventy percent of the lakefront owners have signed the petition authorizing Canada goose round up (capture) and holding. I understand this permit does not authorize trespass and that the permit fee is non-refundable.
