Dear Valued Customer,

It is our pleasure to be your waste and recycling services provider. As you know, we take our work very seriously and are committed to providing you safe, reliable and environmentally sound waste services that meet your highest expectations.

Each spring we begin planning outdoor activities and start to focus our attention on spring-cleaning, yard work and lawn care. Waste Management is pleased to offer curbside yard waste collection service in your area. This service will replace the previous "pay as you go" program.

- WHO:** Current Waste Management Curbside Customers
- WHAT:** Curbside Yard Waste Collection for \$9.50 per month
- WHEN:** Every other week from April through November, 2012
- HOW:** Easy...Phone our Customer Service Department at 1-866-797-9018 Monday through Friday 7:30am-5:00pm to add this service to your account.

The State of Michigan defines YARD WASTE (or compost) as leaves, grass, clippings, garden debris, shrubbery trimmings, brush, or tree trimmings. Sod, dirt, hay, fruit, animal feces, tree stumps, gravel or stones are NOT considered yard waste.

- Place all YARD WASTE in Kraft paper bags or in 20 to 35 gallon container clearly marked YARD WASTE. Waste Management prefers the use of Kraft paper bags over containers because wet compost tends to stick to the bottom of containers and may not be fully emptied during service.
- Do NOT put compost in plastic bags.
- Containers must have watertight lids and handles and cannot exceed 60 pounds when filled.
- All brush 4 feet or less in length and not greater than 4 inches in diameter MUST be placed in YARD WASTE bags or containers marked YARD WASTE or tied in bundles weighing less than 60 pounds
