Weed Control

First application will be June 14th. Additional treatments as needed.

[Click here for weed treatment information.](#) Watch for treatment notices posted along the waterfront of your property advising of swimming, fishing, and lawn watering restrictions.

Goose Control

Egg removal and Nest Destruction thru 5/11 only this year.

The geese will be humanely removed from the lake area. We will use the same company as in prior years, hopefully with the same success rate! [Click here Goose control information.](#)

We may need access to water front properties for round up, and trust that members will support us in this effort by allowing brief access early in the morning.
