The chemicals used for Aquatic Nuisance Control are registered by the U.S. Environmental Protection Agency and the Michigan Department of Agriculture. The potential for damage to fish and other non-target organisms is minimal provided that the product is used as directed on the product label and the permit. To minimize the possible effects on health and the environment, the treated water is restricted for the above purposes.

**For permitting information contact:** Department of Environmental Quality, Water Resources Division, PO Box 30458, Lansing, MI 48909-7958, telephone: (517) 241-1554, e-mail: DEQ-WRD-ANC@michigan.gov

Authority: Parts 31 and 33 of P.A. 451 of 1994, as amended
