Fair Warning!

The DNR and Livingston County Sheriff have keys to the boat ramp and may visit the lake at any time. State laws and your Runyan Lake Inc. bylaws require compliance with state of Michigan boating and fishing regulations, including having your boat registered with the state, and being in possession of a fishing license. We encourage you to be sure your watercraft registration is current, your MC numbers are displayed, your fishing license is with you, a spotter is with you when needed, and you have the required safety equipment on board.

OTHER SAFETY & LEGAL REMINDERS

Run counter-clockwise

Runyan Lake is small, so most boats run the shoreline when cruising and towing – it is only legal to run the shoreline “counter clockwise”, I.E. the shoreline must be to the right side (starboard side) of your boat at all times. If you turn to pick up someone who has fallen, look for other traffic and objects before you turn!

Sit properly

When a boat is in motion the driver and all passengers must be seated in proper seats. It is illegal to stand up, sit on the seat backs, sit on the gunwale, or sit on the front deck of a pontoon boat outside the rails.

Right of way

Powered boats must give way to any sail boat or sailboard/windsurfer. All boats must give way to any other boat approaching from the right. All boats must give way to persons or objects in the water.

Anchor safely

Runyan Lake is up to 55 FT deep. To be effective your anchor needs to be big enough for your boat, and your anchor line needs to be 3-5 times the depth you are anchoring in, so in 50 FT of water you need 150-250 FT of anchor rope! Yes, really!

Boat registration

Per our bylaws, all boats on Runyan Lake are required to display a current RLI boat sticker, along with state required valid MI registration numbers and stickers. This is a private access lake, but the MI DNR and the Livingston County Sheriff have jurisdiction. Owners are responsible for tickets and fines imposed by the authorities if your boat does not have valid MI registration. RLI will also not allow use of the boat ramp if your MI registration is expired for liability reasons.

Watch your wake!

By law, you are responsible for your boat's wake and any damage it may cause to moored boats, docks, shorelines, etc. Watch your wake, and be safe!
